People and events that have impacted your life can be honored on a bronze plaque on Memory Lane.

Family, friends, pastors, missionaries and teachers may be among those who have nurtured, guided, encouraged and challenged your life.

People often stroll down Memory Lane and sit on a patio bench to reflect on those remembered and honored. Green Lake visitors become aware and learn about the people and events you celebrate.

Plaques can be placed on Memory Lane in memory or in honor of a spouse, family member, or friend, church, pastor, missionary or other important person or organization. Plaques can mark a celebration, special occasion, birthday, anniversary, marriage, birth or retirement.
