

Family Life Celebration Week June 30-July 7, 2012

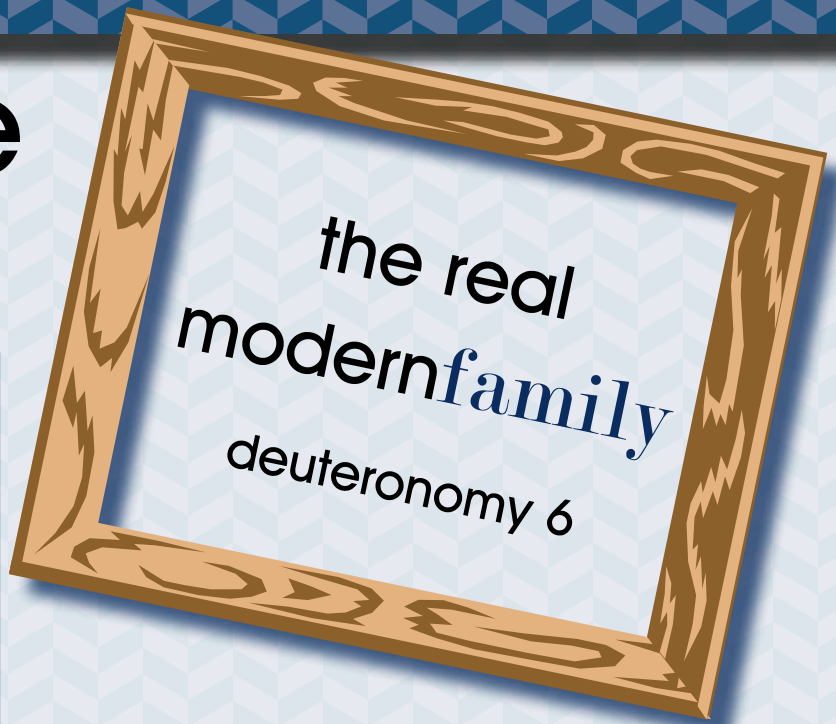

Ever wonder if it's possible to have a God-honoring, connected family amidst the never-stop, tech-based culture of today? Join Dr. Tim Gardner as he explores the Real Modern Family of 2012 and discusses ways to keep our family relationships strong, loving, and God-centered.

Tim is the Director of Life Skills Counseling Center, President & CEO of Marriage Ministries, Inc., and the Director of Relational Intelligence, LLC.

He is a licensed counselor, nationally recognized teacher and author on marriage and family relationships.

Family time will be led by Tim Price. Tim has over 25 years of music ministry background and is the director of Harvest Ministry teams. He also serves part-time on the staff at Troy UMC. He is a gifted musician who will get everyone on their feet each morning with his fun motion songs!
