

# ROAD SCHOLAR

Road Scholar offers educational adventures for adults. "Road" connotes a journey and real-world experience, and "Scholar" reflects a deep appreciation for learning. Together the words capture the heart of the program experience: learning from expert instructors, enhanced by direct discovery of an idea, issue, subject or place.

Green Lake Conference Center is a fantastic place to experience Road Scholar -- in addition to scenic beauty in all seasons, a variety of recreation options include golf, hiking, biking, disc (Frisbee®) golf, boating and crafts. Interesting programs with qualified leaders, comfortable housing and delicious meals make it an ideal Road Scholar site!

Visit us on the Web: [www.glcc.org](http://www.glcc.org). Register by selecting your program on the Road Scholar Web site ([www.road scholar.org](http://www.road scholar.org)) or by calling Road Scholar at 1-877-426-8056.

If you would like more information about Green Lake Road Scholar call Green Lake Conference Center at (920) 294-7365.
