

Participating in God's Ministry at Green Lake

We invite you to join us in participating in fulfilling God's vision for Green Lake -- guests having great experiences and a closer walk with God.

This is done by providing all who come with excellent housing, dining, meeting spaces, recreation facilities and Christian service. There are multiple ways you can participate with us. It's fun!

SHARE YOUR SKILLS THROUGH A WORK PROJECT. If you, your family, group or church would like to serve for a

weekend or longer, Green Lake has plenty of projects. Roll up your sleeves; we'll provide the housing and give you an afternoon off if you spend a week working on our projects. See pages 52-53 for more information!

JOIN OUR VOLUNTEER STAFF. There are many opportunities to volunteer in support of Green Lake's mission. Good physical health and stamina to carry out tasks is required. Skills and experience in specific areas is helpful: retail sales, office work, computer work; gardening, carpentry, electrical, plumbing, painting, auto maintenance; and transporting guests to and from the airport and train station. Volunteers serve from one to four months. We provide modest housing, an outstanding work environment and community with over 75 other engaging volunteers who love to plan fun outings and activities!

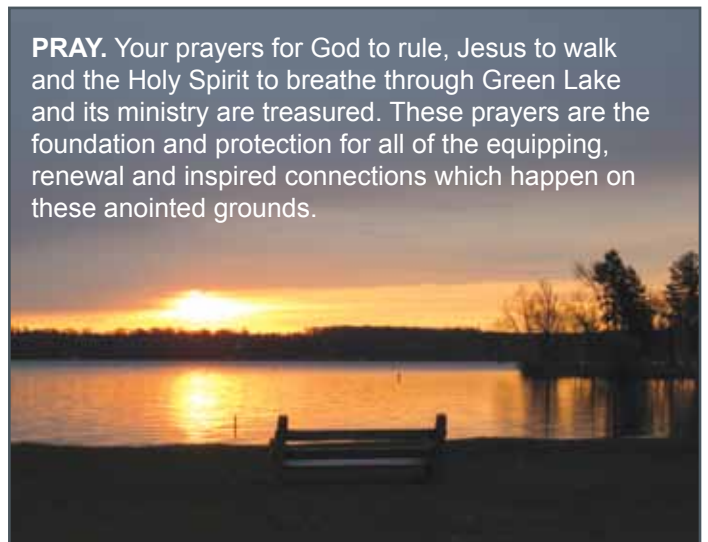

Summer volunteers

MAKE A FINANCIAL GIFT. Your financial gifts enable us to provide excellent facilities and give more than \$80,000 each year in scholarships to pastors and lay church leaders to be trained, workers in ministry to women in prostitution to be encouraged, and individuals and families to be ministered to, who otherwise could not afford to come to Green Lake. Beginning in 2012 you will be able to make online donations on our Web site. You can also review our Wish List on our Web site. Or we'll be happy to mail you the Wish List!

Your participation is vital to Green Lake's ministry!

PRAY. Your prayers for God to rule, Jesus to walk and the Holy Spirit to breathe through Green Lake and its ministry are treasured. These prayers are the foundation and protection for all of the equipping, renewal and inspired connections which happen on these anointed grounds.

To find out more about partnering with us, contact Kathy Kiener: (920) 294-7334 or KathyKiener@gfcc.org
