

# *Friends of Green Lake Retreat*

## *Bring Your Heart to Green Lake*

*August 10-14, 2020*  
*Green Lake Conference Center*

### *We miss seeing you!*

*We want to provide a safe opportunity for members of the Green Lake family over age 60 to bring their hearts back to Green Lake.*

*We want to strike the balance between safety from COVID-19 and ministering to the desires God put in our hearts to enjoy fellowship, worship and the beauty of God's creation on these sacred grounds.*

*This week will have elements of Green Lake's Spiritual Growth Retreat, but due to COVID-19, will be different. Come with an open heart and a flexible spirit and participate in the way you feel is best and comfortable.*

*We will cap the retreat at 25 and ensure that we exceed social distancing recommendations. We'll meet and eat outside whenever possible, and if meeting inside, we'll spread out in big open spaces like Staughton Hall.*

*Hosted by Dr. Michael Williams, DMin, Vice President of Development and Ben Mott, President/CEO. You will hear devotional messages from Mike, Rebecca Reeves (Green Lake Group Scheduling Director and DMin candidate), Ben and others, and have chances to talk by the lakeside and over tea.*

Dr. Michael Williams, D. Min., is our new Vice President of Development. He recently retired after serving more than two decades as the Executive Minister of the American Baptist Churches of Michigan.

Learn about how we're providing safe experiences during COVID-19 by visiting:
